

# Zebra Printer Trade-in Program

Ends October 2013

## HOW MUCH IS OUTDATED TECHNOLOGY COSTING YOU?

Make a smart move to more innovative, feature-rich, best-in-class Zebra Industrial TableTop Printers.

When you hang on to outdated technology, you're compromising operational efficiency, visibility, and productivity—which means you're also compromising your profitability.

If you own an old and obsolete industrial printer take advantage of our limited time offer and upgrade to Zebra's latest printers - **ZT230**, **ZM400**, **ZM600** or **Z105SL Plus**.

Get between **RM500 to RM850 per unit** in trade-in value when you purchase any of the new model.
