

ZEBRA OP CASE SOLUTIONS FOR RES MALAYSIA SDN BHD

Enhanced by **UltimaCase** Accessories

UltimaCase, a brand of Agora Edge, delivers innovative carry and mounting solutions for a wide range of data collection and POS devices. Our mission is simple – to keep your technology ready and reliable at the point of use.

Driven by end-user's feedback and years of real-world performance, our designs have earned the trust of customers from startups to global enterprises.

We began with custom solutions, and that focus drives us today. Whether your use case involves freezer operations requiring insulated cases, outdoor environments demanding weather protection, or industrial settings needing defense against dust and debris, or specific use case requirements to ensure your device perform flawlessly in the field.

At **UltimaCase**, custom isn't an option – it's our business.
